Tamilrockers 2018 tamil bollywood movies

2018 was a good year for box office in India, unfortunately the problems of pirated websites like TamilRockers and Movieswap leaking movies online for free still plagued producers. Some of the biggest and best films of 2018 have been leaked online by Tamilrockers. Read This : TamilRockers Leak Sarvam Thaalaa Mayam & Peranbu Online For those who don't know TamilRockers is a piracy website that has been causing problems for filmmakers by leaking copies of the latest movie releases online on the very day of the film's release and in some very sad cases even the day before. Several Tamil, Telugu, Kannada, Malayalam, and Hindi films have been leaked online by TamilRockers. In 2018 films such as Rajinikanth's Kaala, Rajkumar Hirani's Sanju, Jason Momoa's Aquaman, Aamir Khan's Thugs Of Hindostan were some of the great films that pirated versions of TamilRockers online. Read also: Movie Wap Movies Piracy 2019 - Badla, Captain Marvel November 28, 2018 Madras High Court ordered 39 service providers to block more than 1,200 pirated websites including TamilRockers, but without respite. Check out the names of the biggest names leaked online by TamilRockers. 1. Movie 2.0 - Rajinikanth and Akshay Kumar's film has been leaked online despite all precautions. 2.0 released in theaters 29 November, 2018. 2. Raiders of Hindostan - Aamir Khan and Amitabh Bachchan's debut film together, Raiders of the Hindu, directed by Dhoom 3 director Vijaykrishna Acharya has been leaked online. The film will be released in cinemas on November 8, 2018. 3. Sanju - Based on the true story of actor Sanjay Dutt, Ranbir Kapoor starrer Sanju was leaked by TamilRockers. The film was released in cinemas on June 28 and is directed by Rajkumar Hirani. 4. Simmba - Ranveer Singh's debut collaboration with Rohit Shetty, Simmba released in cinemas on 28 December 2018 and was leaked online notoriously the very next day. 5th Sarkar - Vijay starrer Tamil film, was leaked online in just hours of its release in theaters on 6 November, 2018. Vijay fans took to Twitter asking everyone to see Sarkar in theaters. 6. Kaala - Rajinikanth's Kaala, which was released on June 7, 2018, also met the same fate and was posted online by TamilRockers. The film is a sociopolitical drama directed by Pa. Ranjith and produced by Dhanush. 7. Thaanaa Serndha Kootam - Tamil remake of Bollywood film Special 26 by Neeraj Pandey, Thaanaa Serndha Kootam was also released online in early 2018 after hitting cinemas on 12 January 2018. 8. Aquaman - The Hollywood movie starring Jason Momoa is DC's second origin superhero story. The dubbed version of the film was made available online by TamilRockers after the film was released in cinemas on 14 December 2018. 9. Maari 2 - Dhanush and Sai Pallavi starrer Maari 2, is the sequel to the 2015 film of the same name. The film was leaked on the same day of its release, 21 December 2018 by Tamilrockers. The films were not only leaked but also made free download, leading to a wider illegal circulation of films. Let us hope that the films of 2019 will not meet the same fate and sensible measures in this regard will prevent piracy. Read also: TamilRockers Movie Download Piracy 2019 - Captain Marvel, Thirumanam Leak Read This: TamilRockers Leak KGF, Maari 2 & Kanaa Full Movie Online Founded in 2011, Tamilrockers is a website that allows users to download pirated movies. These films are typically new Bollywood, Hollywood Tamil, Telugu, Malayalam and Punjab movies that get leaked on their websites every week as soon as the movie releases. With the growing popularity of TV shows and web series on TV channels and online streaming platforms, even these are now available for illegal downloads on Tamilrockers in 2020. Tamilrockers in India Since piracy is illegal in India, the Indian government has banned Tamilrockers, but the website remains online because it routinely changes its domain name extension and can also be accessed through proxy sites that lead users to websites. In March 2018, three people linked to Tamil Rockers were arrested. In addition, in May 2019, several members of Tamil Rockers were arrested in Coimbatore, Tamil Nadu. Tamilrockers' impact on Tamilrockers movie download revenue hurt the revenue of the film industry as content creators don't get compensated as users of this website don't visit theaters to watch movies that are available on Tamilrockers. Tamil rockers over the years have leaked various blockbuster films on the first day of their release. In recent years, films like Baahubali 2 and Dangal have been hit by leaks on the Internet. According to reports, the entertainment industry loses roughly \$2.8 billion a year on illegal downloads. Indian internet users are reportedly contributing to making it the second largest group to use illegal torrent websites worldwide.
